

Personregister

Klik [her](#) for at komme til stedregister

Registret, der henviser til skifte- ekstrakternes lbnr., omfatter arveladerne og deres ægtefæller, men altså ikke samtlige arvinger. I bilagene med afkald er det navnene på modtagerne af den udbetalte arv, samt gifte kvinders ægtefæller der er nævnt. I registret er der ikke foretaget personidentifikationer, så når f. eks. Maren Andersdatter, Barritskovby, nævnes i 5 skifter (lbnr. 293, 299, 526, 565, 574) er det ikke givet, at det drejer sig om den samme person.
